### Press Release

ICC Levy-Members Concern

1<sup>st</sup> Dec, 2021

Recent comments by some members of the public on social media and some news coverage on handful of online news portals regarding NRNA Australia holding members levy that needs to be transferred to ICC global has attracted our attention.

NRNA Australia categorically rejects those claims and comments that NRNA Australia is holding the ICC levy as a bargain for delegates approval.

**First thing first we have no intention to keep the ICC levy ourselves. Secondly its not being used as a bargain tool for getting the delegates approval because NRNA Australia believes the delegates were chosen according to normal practice, as per clauses of ICC constitution.**

**We assure all our members and wider community the fund has been kept aside as a liability for months and it will be released as soon as current ICC dispute is resolved.**

We strongly urge NRNA ICC to resolve the disputes by consulting ICC Patron Council and NRNA Australia is always ready to cooperate with ICC.

Thank you
